## **Skin Clarity's Mission:**

Dedicated to bringing a higher level of consciousness of total skin care and health to today's youth and the women and men who wish to return the glow of youth to their skin.

Proper skin care; beauty regimes; and mind+body+soul connections are the focus of Skin Clarity.

Although we cannot stop the aging process, caring for the skin (from the inside out and back again) is our strongest defense. Skin Clarity recommends eating a nutritious diet; regular exercise; drinking 6-8 glasses of water per day; avoiding salt, alcohol and tobacco; minimal stress; avoiding weather extremes; protecting skin from excessive sun exposure; avoiding soap; and a professional deep cleanse of the skin every 4-6 weeks.
